

SHAKING UP THE KEARNEY Y

STRONGER TOGETHER. BUILDING A HEALTHIER COMMUNITY.

MESSAGE FROM ELAINE:

Hello K-Town Shakedown!

It is my pleasure to announce this awesome opportunity that we have been given to transition over to the YMCA here in Kearney. They have been so kind and welcoming and we are all looking forward to what we can build together. They have generously put together several discounts and options for you to make the transition smoother. I will be making the move to the YMCA as an instructor and I would love to have each one of you join me. We've done great things together the past 8 years, let's keep going! I love you all and love wins.
